

Consent to Ethical Phishing Email Campaign 2024

The purpose of the Ethical Phishing Email Campaign 2024 (the Campaign), co-organised by Cyber Security and Technology Crime Bureau (CSTCB) and Hong Kong Internet Registration Corporation Limited (HKIRC), is to enhance public awareness of phishing attacks.

By signing this consent form, you are representing your company / organisation to acknowledge that you understand and agree to the clauses set forth below: -

- (a) I confirm that the arrangement of the Campaign has been explained to me.
- (b) I understand that all participants should be informed about the Campaign before the launch.
- (c) I understand that to appear as realistic as possible, the simulated phishing emails sent in the Campaign may contain the name, brand or logo of unaffiliated third parties.
- (d) I agree that neither party shall be liable to the other for any loss or corruption of data, remedial costs, loss of operation or staff time, loss of goodwill or anticipated savings, loss of anticipated profit or savings, or pure economic loss.
- (e) I agree that any information about the provision of the Campaign by CSTCB and HKIRC should not be discussed in the presence of third parties, or disclosed to any third parties.
- (f) I understand that the participation is on voluntary basis and that I am free to withdraw at any time.
- (g) I confirm that I and the staff / personnel of my company / organisation have acknowledged that email addresses collected in the Campaign will not be made publicly available except to third-party vendor / service provider that performs tasks on behalf of and under the instruction of CSTCB and HKIRC.

I _____ (name) on behalf of the _____
(name of company / organisation) hereby give consent to CSTCB and HKIRC to carry out the Campaign on the participating email addresses.
