# Cyber Security Professional Awards

The Hong Kong Police Force, in collaboration with the Government Computer Emergency Response Team Hong Kong (GovCERT.HK) and the Hong Kong Computer Emergency Response Team Coordination Centre (HKCERT), has been proudly co-organizing the Cyber Security Professional Awards (CSPA) since its inception in 2016. This event is dedicated to recognizing and celebrating outstanding professionals who have demonstrated excellence in the field of cyber security. Its primary goal is to unite these cyber security professionals, facilitating the collective efforts to combat cyber threats in Hong Kong.
